

Amendments to the Specification:

Please replace the paragraph beginning on page 8, line 17, with the following paragraph:

Thus, when multiple web pages are "realized" by combining the substantial content as defined by the corresponding subordinate web page specifications, such as specifications 206 and ~~208~~204, and the common design specified by master specification 202, a collection of web pages having a common design, the design specified by master specification 202, results.
